

PRIVACY POLICY OF THE WEBSITE JECOM.IT

The privacy policy of this web site is a notice provided pursuant to Art. 13 of Legislative Decree 196/2003 – code concerning the protection of personal data – to those who interact with the web services provided by the company named Jecom International S.r.l., accessible on the Internet at: <http://www.jecom.it>

Said web address leads to the home page of the official web site of the company named Jecom International S.r.l.

The notice relates to the company's web site and does not cover other web sites that may be accessed from the former through links (hyperlinks) of any kind.

The notice also takes into account Recommendation 2/2001 that the European authorities for the protection of personal data (represented by the Group established pursuant to Art. 29 of Directive 95/46/EC) adopted on 17th May 2001 to identify certain minimum requirements for the collection of personal data online and, in particular, the manner, timing and nature of the information that data controllers must provide to users when they connect to web pages, regardless of the purpose of the connection.

DATA CONTROLLERS

By consulting this web site, data may be processed that relates to identified or identifiable people.

The data controller is Jecom International S.r.l. with registered office in Via Turati 40, Milano (Mi).

PLACE OF DATA PROCESSING

Data connected with the web services of this site is processed at the premises of the company Jecom International S.r.l. and is only processed by personnel appointed to perform said task, or if necessary, by those appointed to perform occasional maintenance work.

Data deriving from the web service will not be communicated or disclosed to third parties. Personal data provided by users via the email address on the web site will only be used to provide the service or task required and will only be communicated to third parties if strictly necessary.

TYPE OF DATA PROCESSED

Navigation data

Navigation data is information collected that is not associated with identified parties but due to its very nature could, through processing and association with data held by third parties, identify users passing through the web site.

This type of data includes IP addresses or domain names of computers used by users connecting to the site, the time of request, method used to send the request to the server, numerical code indicating the status of the response given by the server (successful, error, etc) and other parameters related to the user's operating system and computer environment.

This data is used purely to extract anonymous statistical data concerning site usage and check the site is working correctly; the data is therefore deleted immediately after it has been processed.

Data supplied voluntarily by the user

Non-compulsory, explicit and voluntary sending of emails to the addresses given on this website entails subsequent acquisition of the sender's email address, needed to respond to requests, and any other personal data included in the communication sent.

The user may also provide information and data using the forms found on various pages: said data and information will only be forwarded if consent to data processing has been given.

Information on the use of cookies

Jecom.it site uses cookies and similar technologies to ensure the proper functioning of procedures and improve the experience of use of online applications. This document provides detailed information on the use of cookies and similar technologies, how they are used by Jecom International S.r.l. and how to manage them.

Definitions

Cookies are short pieces of text (letters and / or numbers) that allow the web server to store on the client (browser) information to be reused during the same visit to the site (session cookies) or later, even after days (persistent cookies). Cookies are stored, according to user preferences from a single browser on the specific device being used (computer, tablet, smartphone).

Similar technologies, such as, for example, web beacons, clear GIFs and all forms of local storage introduced with HTML5, can be used to gather information on user behavior and use of services.

Later in this document will refer to cookies and similar technologies all by simply using the word "cookie".

Types of cookies

Based on the characteristics and use of cookies, we can distinguish several categories:

- **Cookie strictly necessary** - These cookies are essential for the proper functioning of jecom.it and are used to manage the login and access to reserved functions of the site (if any). The duration of cookies is strictly limited to the working session (closed the browser are deleted). Their deactivation compromise the use of services accessible by login (if any). The public part of jecom.it is normally used
- **Cookie analysis and performance** - are cookies used to collect and analyze traffic and use the site anonymously. These cookies, even without identifying the user, allow, for example, to detect if the same user returns to connect at different times. They also allow you to monitor the system and improve its performance and usability. The deactivation of these cookies can be executed without any loss of functionality
- **Cookie profiling** - These are persistent cookies used to identify (anonymously or not) user preferences and improve your browsing experience. The site does not use cookies jecom.it of this type
- **Third party cookies** - Visiting a website you may receive cookies from the site to be visited ("owners"), both from websites maintained by other organizations ("third

parties"). A notable example is the presence of "social plugin" for Facebook, Twitter, Google+, LinkedIn and YouTube. It is part of the page visited directly generated by these sites and integrated into site page host. The most common use of social plugin is aimed at sharing content on social networks.

The presence of these plugins involves the transmission of cookies to and from all sites operated by third parties. The management of the information collected by "third parties" shall be governed by the relevant information which please refer. To ensure greater transparency and convenience, are shown below the web addresses of different information and how to manage cookies, today made available. If they were to change such addresses, Jecom International S.r.l. assumes no liability and will make every effort to update these addresses as soon as possible.

Statistics: ShinyStat™ ISP - BUSINESS

It is crucial to point out that the first-party cookies provided by ShinyStat™ only under our domain are cookie "analytics" and are considered as technical cookies used to collect statistical information in an aggregated and anonymous.

Cookies technical

- [...] cookie analytics, similar to cookies where engineers used directly by the site operator to collect information, in aggregate, the number of users and how they visit the site;
- [...] For the installation of these cookies it does not require the prior consent of the user, while it remains subject to the obligation to provide the information pursuant to art. 13 of the Code, the operator of the site, if you use only such devices may provide the manner that it considers most appropriate
- SOURCE: Data Protection Authority

For these cookie remains subject to the obligation to give the information, pursuant to art. 13 of the Code. In particular:

- Description: it's cookie called "analytics", used to collect information in an aggregated and anonymous on the number of users and how they visit the Web sites; it comes to cookies purposes only statistics for site optimization (and not profiling or marketing) that do not allow in any way to trace the identity of the individual visitor
- Information: Visitors to the site can see the required Privacy Information provided by us at the following address: http://www.shinystat.com/it/informativa_privacy_generale.html

- Opt-Out: if they so wish, may make the opt-out by clicking the following link: <http://www.shinystat.com/optout/optout.html>. For those who will carry out the opt-out, ShinyStat™ will not collect any statistical data on navigation.

Duration of cookies

Some cookies (session cookies) remain active only until you close your browser or log out of the execution of the command (if any). Other cookies "survive" the closure of the browser and are also available in future visits.

These cookies are known as persistent and their duration is set by the server at the time of their creation. In some cases there is fixed a deadline, in other cases the duration is unlimited. Jecom International S.r.l. does not use persistent cookies.

However, browsing the pages of the site jecom.it, you can interact with sites operated by third parties that can create or modify persistent cookies and profiling.

Management of cookies

The user can decide whether to accept cookies using the settings on your browser. Warning: Disabling all or part of the technical cookies can compromise the use of the functionality of the site for registered users (if any). On the contrary, the usability of public content is also possible to completely disabling cookies. Disabling cookies "third party" does not prejudice in any way the navigability.

The setting can be defined specifically for different websites and web applications. Furthermore the best browsers allow you to define different settings for cookies "owners" and those of "third parties".

For example, in Firefox through the menu Tools-> Options -> Privacy, you can access a control panel where it is allowed to define whether or not to accept the different types of cookies and remove them.

PROCESSING METHOD

Personal data will be processed using electronic tools and paper mediums for the amount of time required to fulfil the purpose for which it was collected. Special security measures have been taken to prevent the loss of data, unlawful or incorrect use of the same and unauthorised access.

RIGHTS OF INTERESTED PARTIES

Pursuant to Art. [7 of Legislative Decree 196/2003](#) you have the right to request the cancellation, transformation into anonymous form or blocking of data processed in violation of the law, as well as object, for legitimate reasons, to the processing of said data.

Subjects to whom the personal data refers have the right at any time to obtain confirmation of the existence or not of said data, be informed of its content and origin,

check its accuracy or request that it be added to, updated or corrected (Art. 7 of Legislative Decree 196/2003).

Requests can be sent by email to Mr. Pietro Montesanti at info@jecominternational.it.
